

The Jesus Video Project

Taking JESUS to our community

An opportunity to bring the Gospel of Jesus Christ to our neighbours

Many people in our community have misconceptions about the life and message of Jesus. His claims have never been clearly understood. No wonder so few people find Christianity relevant!

One of the main reasons our church exists is to proclaim the Good News of God's love and forgiveness through Jesus as clearly and attractively as possible to those around us. Here is a non-threatening way to do it!

The most viewed film in human history, JESUS, is available on DVD at a low price for distribution in our community.

Offering the JESUS DVD and The Jesus Quest DVD (the version for children and families) to homes in our area, is a great way for our church to give others an opportunity to hear and see the Gospel.

About the JESUS film and The Jesus Quest

JESUS presents Luke's account with meticulous historical and scriptural accuracy. Filmed on location in the Holy Land, it has been translated into over 1000 languages and viewed by more than two billion people in 200 nations. Jesus is played by the Royal Shakespeare actor Brian Deacon who speaks only words from Scripture. At the end of the 80 minute DVD, there is a brief summary of the Gospel and a prayer of response.

The Jesus Quest is designed to help children aged 7 to 12 learn about Jesus. This 60 minute DVD follows the adventures of 10-year-old Benjamin, who, with his friends, sets out to discover more about this 'miracle man' who is causing such a stir. The film ends with a brief Gospel summary and a prayer. 22 minutes of new material is inter-spliced with footage from the JESUS film.

How the project works

The DVD offer to selected streets is preceded by a letter from the church to each home. Those accepting the gift will be asked to take a viewers' Opinion Questionnaire one week later. Follow-up on a personal basis or in groups will be offered to those who respond positively to the DVD and questionnaire. Prayer will support all aspects of the project.

Your help is needed

The DVDs and magazines are available for this project at significantly reduced cost. Church members are being asked to consider sponsoring one or more DVDs. Sponsors will be informed when their DVDs are taken in order to pray for a positive response to the viewing and questionnaire. Can you help take JESUS to our community?
