Beta version

The last words Jesus said to His disciples
- repeated several times in the New Testament in
different forms* - was to help **EVERYONE**
everywhere to hear about Him and His **Good**
News, through the power of the **Holy Spirit**

That's where God's heart is at, and we at
Agapé Student Life are passionate about it too.
And if you are too, then this is for you

That's what this tool is about - to equip
any student who dares answer that call -
so **EVERYONE** on your campus has
the chance to hear about Jesus

*E.g. Matthew 28:18-20
